Genesis 1:1

Name: \_\_\_\_\_

Now the earth was  
formless and empty,  
darkness was over the  
surface of the deep, and  
the Spirit of God was hovering  
over the waters.

Genesis 1:2

And God said, "Let there be light," and there was light. God saw that the light was good,

and He separated the light from the darkness. God called the light "day," and the darkness he called "night." And there was evening, and there was morning - the first day. Genesis 1:3-6

And God said, "Let there be an expanse between the waters to separate water from water." So God made the expanse and separated the water under the expanse from the water above it. And it was so. God called the expanse "sky." And there was evening, and there

was morning - the  
second day.

Genesis 1:6-8

And God said, "Let the water under the sky be gathered to one place, and let dry ground appear." And it was so. God called the dry ground "land," and the gathered waters he called "seas." And God saw that it was good. Then God said, "Let the land produce vegetation: seed-

bearing plants and trees  
on the land that bear  
fruit with seed in it,  
according to their

various kinds." And it was so.

The land produced vegetation:  
plants bearing seed according to  
their kinds and trees bearing  
fruit with seed in it according  
to their kinds. And God saw

that it was good. And  
there was evening, and  
there was morning  
- the third day.

Genesis 1:9-13

And God said, "Let there be lights in the expanse of the sky to separate the day from the night, and let them serve as signs to mark seasons and days and years, and let them be lights in the expanse of the sky to give light on the earth." And it was so. God made two great

lights - the greater light  
to govern the day and  
the lesser light to govern  
the night. He also

made the stars. God set them  
in the expanse of the sky to give  
light on the earth, to govern the  
day and the night, and to  
separate the light from darkness  
And God saw that it was good.

And there was evening,  
and there was morning  
- the fourth day.

Genesis 1:14-19

And God said, "Let the water teem with living creatures, and let birds fly above the earth across the expanse of the sky." So God created the great creatures of the sea and every living and moving thing with which the water teems, according to their kinds, and every

winged bird according  
to its kind. And God  
saw that it was good.  
God blessed them and

said, "Be fruitful and increase in  
number and fill the water in  
the seas, and let the birds  
increase on the earth." And  
there was evening, and there  
was morning - the fifth day.

Genesis 1:20-23

And God said, "Let the land produce living creatures according to their kinds: livestock, creatures that move along the ground, and wild animals, each according to its kind." And it was so. God made the wild animals according to their kinds, the livestock according to their

and all the creatures  
that move along the  
ground according to  
their kinds. And God

saw that it was good. Then  
God said, "Let us make man in  
our image, in our likeness, and  
let them rule over the fish of  
the sea and the birds of the air,  
over the livestock, over all the

earth, and over all the creatures that move along the ground." So God created man in his own image, in the image of God he created him; male and female he created them.

Genesis 1:24-27

God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish of the sea and the birds of the air and over every living creature that moves on the ground. Then God said, "I give you every seed-bearing plant on

the face of the whole earth and every tree that has fruit with seed in it. They will be

yours for food. And to all the beasts of the earth and all the birds of the air and all the creatures that move on the ground - everything that has the breath of life in it - I give

every green plant for food. And it was so. God saw all that he had made, and it was very good. And there was evening, and there was morning - the sixth day.
